Ron - there is a lunch menu to complete and return.

I have some briefing points and questions you might use next week. Planned on giving them to you on Monday.

Subject: FW: Materials for Distribution to Forum participants

To: Forum Participants,

Thank you for accepting the US EPA's invitation to participate in the *Ensuring Implementation of Protective Practices Forum*. We are delighted to have state and tribal representatives, industry, non-governmental organizations and academia participating. I am writing to share meeting materials, introduce the meeting facilitator and provide some logistical information.

Attached is the agenda, a background paper, the attendees list and a lunch menu. We ask that you review the background paper in advance of the meeting and come prepared to share and discuss your thoughts to the framing questions presented for each of the topic areas.

Rob Willis, Principal, with Ross Strategic, will be facilitating the forum. Rob is the point of contact if you have an emergency or any questions leading up to and during the forum. Rob's cell phone is (206) 295-2435 and email address is rwillis@rossstrategic.com.

Participants should be prepared to purchase their lunches, beverages and snacks. The hotel will have a food cart with snacks and beverages available outside the meeting room. You will need cash on hand to purchase beverages and snacks or may charge them to your room. An ATM is located in the hotel. Participants will be provided with menus for both lunches at the meeting and will be asked to submit their menu choices at the registration center on both mornings. For your convenience a menu is attached. Lunches can be purchased with cash, by charging to your room or you may fill in your credit card information at the bottom of the menu each day of the forum.

As you pack, please remember that you will likely experience DC's sweltering summer weather. The dress code for the forum is summertime business casual.

So come comfortably dressed, relaxed and ready to take part in an interesting and productive discussion. If there is anything I can do to assist you prior to or during the meeting please don't hesitate to ask. I look forward to seeing all of you on the 15th.

Thanks,
Teresa
